

Grade 5 Welcome to Japan

The 5th graders had a presentation about Japan. In this unit, we studied the different seasons of Japan and the activities we can enjoy in Japan.

This is their first time doing a big presentation in English. I was very impressed with their performance. They were very confident and used a lot of gestures during the presentation.

I believe they are going to be great next year.

World Events in March

St. Patrick's Day

It's celebrated every March 17th to commemorate St. Patrick and to honor Irish heritage and culture. People wear green clothing and join parades.

Also known as Festival of Colors. Love and Spring. People light bonfires, throw colorful powder, eat sweets and dance traditional music.

Holi Festival

Graduation Day

In Japan, March is graduation season. Grade schoolers get to wear their new uniform. It is a very formal ceremony in Japan.

Easter is a Christian festival and cultural holiday. People go to church, enjoy festive meals and children join egg hunting.
